

KANAVA

SOCIALLY ACTIVE

In Kanava, the top names in their fields write in depth, but for the general reader to understand, on issues of society, politics, economics, and culture. Kanava is a counterforce to an increasingly superficial media world. The publication of serious and in-depth analyses has decreased and therefore Kanava's role is clear: its mission is to provide weighed contributions that take a lot of time to write and read. Kanava participates in social debate with topical but enduring expert contributions. Kanava is for readers who want to follow society deeper than at the surface level. The magazine is published 8 times per year.
