

## A SKILLED RENOVATOR HUNGRY FOR INFORMATION

TM Rakennusmaailma offers the latest, researched information for both experienced construction enthusiasts and beginners. Anyone interested in improving their own living standards can also get practical guidance on renovations and repairs from the magazine. TM Rakennusmaailma tells people what they can and are allowed to do themselves. The magazine encourages people to build and repair – and save money! Like Tekniikan Maailma, the magazine regularly tests building materials, supplies, tools, machinery and various services in the field in a completely impartial manner.

The magazine appears 12 times per year. TM Rakennusmaailma also has a digital service at [Rakennusmaailma.fi](https://rakennusmaailma.fi), where you can find such things as news about the field, a digital magazine, and a comprehensive magazine archive.
