

## SPECIAL MAGAZINE FOR BUILDERS AND RENOVATORS

TM Rakennusmaailma is a special magazine for those interested in home, construction, and renovation. Its reader wants to know about the many methods of construction and renovation, as well as products and tools. The readers of the magazine are educated and better-earning enthusiasts and professionals. An essential part of TM Rakennusmaailma's content is various tests and comparisons. The magazine regularly tests building materials, supplies, tools, industry machines, and various services completely impartially, just like Tekniikan Maailma.

The magazine is published 12 times a year. TM Rakennusmaailma also has a digital service at [rakennusmaailma.fi](http://rakennusmaailma.fi), which includes industry news, a digital magazine, and a comprehensive magazine archive.
